P.O. Box 1450
Alexandria, VA. 22313-1450

Honorable Sir:

This Information Disclosure Statement is submitted in compliance with 37 C.F.R. §§ 1.56 and 1.97 through 1.98.

Record is attached of published art for consideration during prosecution of the above-identified patent application. No representation is made or intended that a search has been made or, if made, was complete, or that no more pertinent art than that listed is available. It is expected that the Patent and Trademark Office will conduct an independent search for relevant prior art.

In accordance with the Patent and Trademark Office Notice of August 15, 1980, enclosed is a completed Form PTO-A820 (Form PTO-1449). According to recent Patent Office policy, a waiver is made for submitting copies of cited U.S. patents and published patent applications, therefore only the foreign document is enclosed.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Mark A. Wurm". The signature is fluid and cursive, with a large initial "M" and a long, sweeping underline.
